LIQUID CRYSTAL ORACLE - 2nd Edition

September 2023

Return of the Atlantian Way for the Children of Light

Justin Moikeha Asar

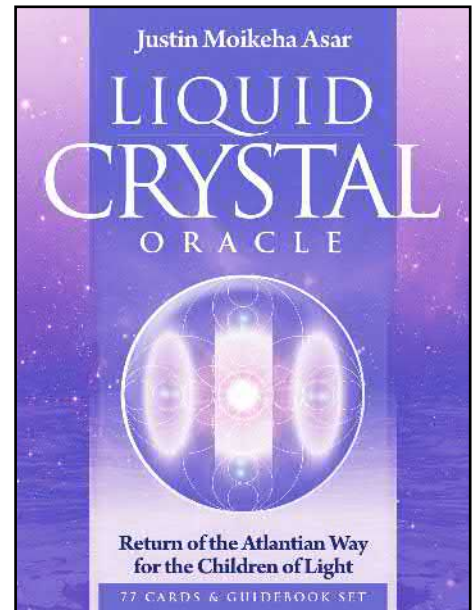

Ancient and sacred knowledge is stirring. The crystal realm is ready to reunite with the profound and transformative essence within you. You've felt its call, now welcome its awakening.

Child of the Light, the Crystal Devas acknowledge your ever-unfolding and enlightening connection to their world. Here, they offer potent imagery and messages to smooth transitions, catalyse purpose and activate memories of the Atlantian Way.

This powerful second edition of Liquid Crystal Oracle presents a unique, life-changing crystal healing system. It offers a compendium of in-depth insight, elemental associations, affirmations and frequencies that bring lost wisdom treasures to an enlightened tomorrow.

Discover Atlantian spirituality, work with octahedrons of light and receive the keys to the crystalline world. Use this set to connect with the divine properties of 77 crystals for unity, wholeness, divination and ascension.

This second edition features fully revised text and a full colour guidebook.

QUEEN MAB ORACLE

September 2023

Divine Feminine Wisdom from the Queen of the Fae

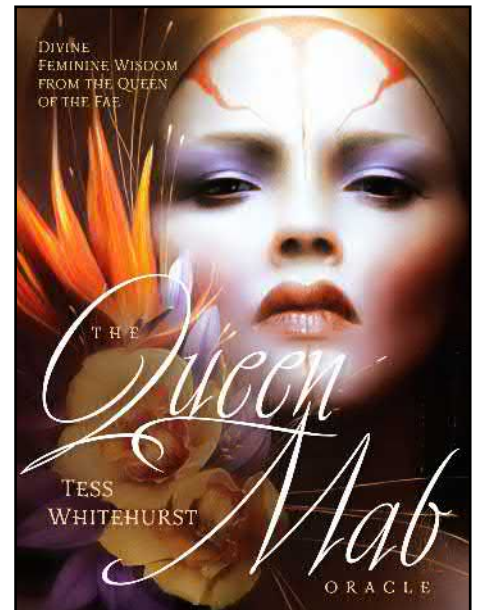

Tess Whitehurst

Artwork by Mélanie Delon & Cecilia G.F.

... even now, answers are on the way to you. On the wings of an endless midsummer's night, something blessed this way comes, powered by the earth, the wind and the divine radiance of the Faery Queen.

Ancient and powerful, Queen Mab is an elemental emissary of charm, moonlight and manifestation. Turn to her for meaning, revelation and insight into the poetry and empowerment at play within all that is and all you shall become.

“Queen Mab, I hear and embody your wisdom so that I may own my divinity and affirm magic in the world.”

LUCID DREAMING, LUCID LIVING

September 2023

Your Oracle and Guide to Mastering the Dreamscape

Norma J. Burton and Nisha Burton

Foreword by Philip Carr-Gomm

The LUCID DREAMING, LUCID LIVING Oracle draws from years of first-hand knowledge and extensive research by the mother-daughter team of Norma Burton and Nisha Burton. Their tools, techniques, and insights learned from experiential studies are unique, reinforced by the cards' powerful teachings about both lucid dreaming and a message for one's waking life through lucid living. The reader will be inspired to trust their intuition and to become aware of their magical sense of interbeing with higher consciousness.

More and more people are accessing the mystery behind their dreams in order to connect more deeply with themselves. But what is lucid dreaming? It is coming to conscious awareness during the dream state. A lucid dream occurs when a person is asleep but becomes aware that they are dreaming. In this lucid state, a person can take control of their dream's narrative to some degree, essentially guiding and directing the course of their dream. Lucidity can be a way to explore things that a person might not be able to do in everyday life and translate that sense of personal empowerment into their waking life.

The LUCID DREAMING, LUCID LIVING Oracle package will allow the dreamer to fully explore fantastic sensory and emotional experiences through the combination of an engaging text and strong, visually challenging illustrations. Dreamers will learn how to navigate through various states of consciousness with lucidity. Whether you are an experienced lucid dreamer or just beginning your journey, each card in the deck provides you with valuable tools to navigate the dream worlds as well as powerful answers to daily life dilemmas.

The stunning symbolic cards are composed of two parts - the waking message and the dreaming message - thus integrating the instructions for both states of consciousness. Meditating on these insightful cards will strengthen your abilities to dream lucidly and offer guidance about how to move through waking reality more connected to your deep intuition.

By allowing people to take control of their dreams, lucid dreaming can also help prevent nightmares or redirect the events of the dream toward something more pleasant or relaxing. This degree of control also helps the dreamer decrease anxiety, gain greater confidence, solve problems and bring more relaxation into situations that would normally cause them stress if they were to experience it in the real world.

Because lucid dreaming allows the dreamer to invent or create anything within the dream, they can explore creatively and safely within the confines of a dream. This leads to less co-dependency and more security and balance in waking life.

If you feel unable to fully connect with your inner guidance, understand your dreamtime experiences, and are seeking a next-level tool to heal your inner wounds and unlock your fullest potential, then this deck is for you.

THE BELOVED DEAD

September 2023

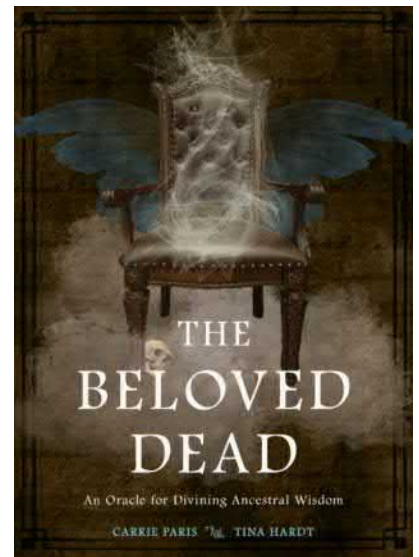

An Oracle for Divining Ancestral Wisdom

Carrie Paris and Tina Hardt

THE BELOVED DEAD includes 81 cards with vintage photographs depicting our collective family of ancestor archetypes. The oracle can be used to help you connect with consciousness that has survived its incarnation here, in the land of form, and now resides energetically as Spirit. Enlightened radiant souls full of afterlife, every spirit in this deck is a bright star in the constellation that is our soul's enchanted quest.

These are the voices of your protective and guiding ancestors, Spirit Helpers who understand that every minute you spend on this side of the veil, there's great work to be done. They've come together to reconcile the fellowship of the past, with the unlimited potential of the future. A special card called the "Spirit Throne" is included to be used as a Seat of Honour, a sacred space within which to hold counsel with a particular card. The accompanying full-colour guidebook provides an array of spreads to meet specific sorts of inquiry.

While gender-specific pronouns are used in the descriptions of these cards, please use your intuition when connecting with the image on the card and develop a profile for its unique energy. At times, THE BELOVED DEAD oracle cards will represent a specific soul, living or in spirit; at other times they may convey an experience, memory, event, or outlook, and always deliver a message related to the context of your question.

FRIGHT BEFORE CHRISTMAS HB

September 2023

Surviving Krampus and Other Yuletide Monsters, Witches, and Ghosts

Jeff Belanger

Illustrated by Terry Reed

HB 978-16374-80151 152 x 191 £17.99
200 pages, 42 colour illustrations

As to what time of year Jesus was born, the Bible gives us one clue. It can be found in Luke 2:8-9:

And there were shepherds living out in the fields nearby, keeping watch over their flocks at night. An angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were terrified.

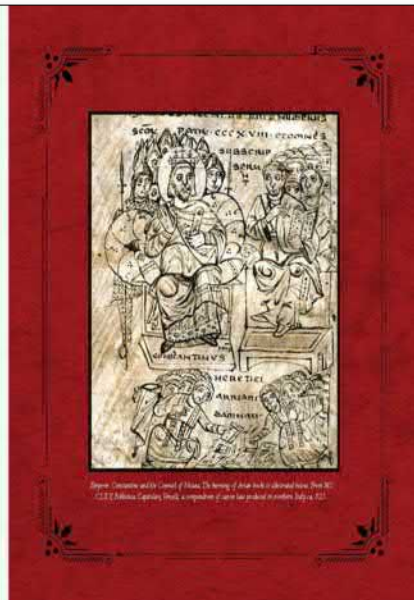

In the region of Bethlehem, which sits just south of Jerusalem in Israel, shepherds would sit out with their flock at night between spring months and as late as October. After that, it's too cold to be out all night. Which means, according to the Bible, the only months we can rule out for the birth of Jesus are roughly November through April.

Before you cry heretic, please understand: I don't always celebrate my birthday on the actual day either. Sometimes we wait for the weekend, or sometimes I get together with my aunts, whose birthday a three weeks after mine. There are no rules as to when the day must be commemorated. So how did we land on December 25?

For that, we must thank the Roman emperor Constantine.

When Constantine began his reign in 308 CE, he was old enough to have lived through the persecution of early Christians. He was also young enough to see Christianity expanding, because the idea that one could be born common and still receive great rewards in heaven sounded like a great deal. As Christianity grew in popularity and numbers, the ruling class had a choice: continue to persecute, which would only solidify the opposition, or embrace it.

Constantine converted to Christianity in 312 AD, after a vision he experienced at the Battle of the Milvian Bridge. Through other emperors and

during the sixteenth and seventeenth century that Krampus came out from the shadows of the mountains and into the limelight of villages and cities.

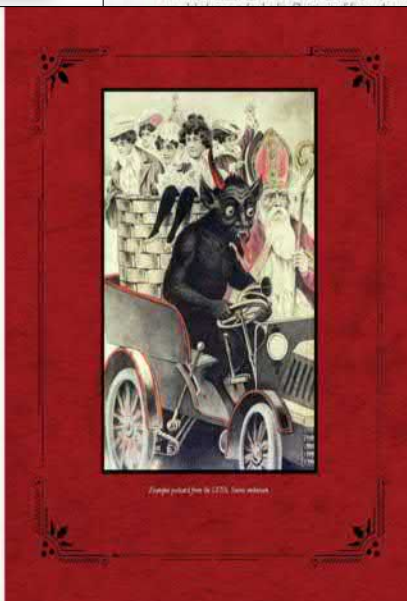

By the 1800s, Krampus was born to stay in Austria, Bavaria, Slovenia, and the Czech Republic. That doesn't mean Christianity didn't leave its mark on this yuletide beast. The chains surrounding Krampus are a Christian addition, representing the binding of the Devil. Plus, his features began to reflect more devil-like imagery of the time, like a forked tongue and dramatic horns.

By the second half of the nineteenth century, Krampus was coming into his own. His horrific visage adorned the cover of countless postcards. People mailed them as greeting cards. Artists worked their magic creating horror scenes of Krampus leading children to their holiday doom.

Krampus became a holiday staple in the region of Europe. He began traveling with Saint Nicholas on December 5 and 6 to offer a consequence to the naughty. And he remained a mainstay of the holiday for several decades, right up until the world went into the attention of the masses. By the time World War II had ended, when Germany and Austria were being destroyed and rebuilding, a new icon slowly pushed Krampus into the far corner. Santa Claus was coming to town and gaining global fame not only as the solitary figure related to the Christmas holiday, but also as a symbol to help lift a country's economy come December.

So Krampus slunk back to the corners of villages in Austria, where he remained a more obscure tradition. He never vanished. No. He was hiding his time. Maybe he knew not just Austria but the world would someday summon him forth once again.

That time arrived in the early 2000s, when a perfect storm of internet interconnectedness and global turmoil sent the public chiding, howling, and searching for answers that spoke to something primal. Suddenly, one village's obscure holiday legend spread . . . quickly. Of course, some deals

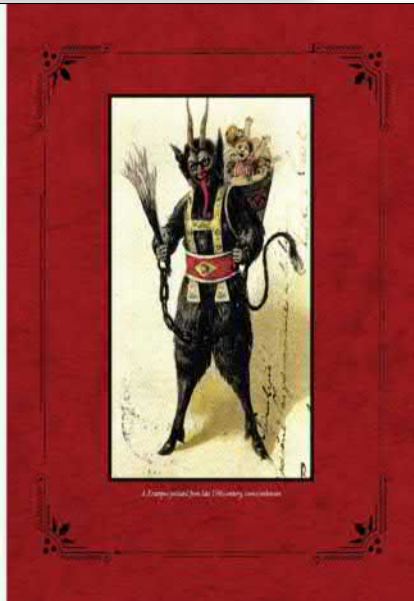

has perfect child, and you've been told the number 5 is circled several times in red on your calendar for the day. If you survive to see December 6, expect well enough to wear earplugs from Saint Nick's of December you hear rattling chains or rattling doors during that long, dark, silent, Krampus has arrived.

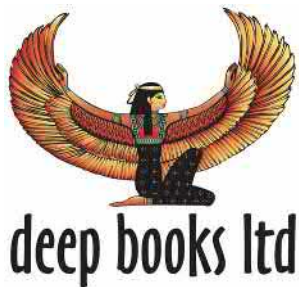

Krampus is a monster.

stands erect on his cloven hooves—though brief and one human-like foot—a nod to his form of stop his head, and a long, forked, tail like a serpent. He's wrapped in chains and he fills with every naughty child he can find, he beats, stuffs them into his sack, and carries him where he kills them and eats them. Come the naughty children of the world are dead, being gifts to all of the good girls and boys that's left.

Krampus when I was a child. At that time, Krampus for messages of popular culture. Though he slowly forgotten. There were shadows of him

looking—a different name, a slightly different look. But when I think back, maybe a version of Krampus was there in my childhood. Back then we called him the Grinch. Covered in fur, angry, lived in a mountain lair, the fur on top of his hat would occasionally curl into the shape of horns.

advanced information

FRIGHT BEFORE CHRISTMAS HB

Surviving Krampus and Other Yuletide Monsters, Witches, and Ghosts

Jeff Belanger

Illustrated by Terry Reed

Step into the dark roots of Christmas past where the Krampus punishes the bad boys and girls.

Christmas time is truly the darkest and creepiest time of the year filled with devilish creatures lurking in the shadows waiting to get us. Best known is the Krampus who has been the subject of films and songs. There was a time in the late 1800s when people sent Krampus cards, not holiday greetings. There are other violent and dangerous monsters from all over northern climes who have been hunting naughty children for centuries. From shapeshifters to mountain trolls, to elves, to heavy-handed cohorts of Saint Nicholas, the Christmas holiday has been filled with ghosts and monsters ready to dole out punishment to those who need it.

THE FRIGHT BEFORE CHRISTMAS will delve into the folklore of Krampus and his friends with the elf-like tomten and the goblinessque Karakoncolas. The Belsnickel is ready to hit us with his switch of sticks and Gryla may drag you back to her mountain lair. And watch out for the Yule Cat ready to pounce! These are just a few of the yuletide beasties coming for us in THE FRIGHT BEFORE CHRISTMAS in the hope they can save us from ourselves. The folklore roots of Christmas under its many other guises (Yule, the Winter Solstice, Saturnalia) is examined in a different, darker light. The Winter Solstice is a time to be afraid. It's the shortest day of the year. The longest night. In some parts of the world, the sun doesn't rise at all. It's dark, and we have to wonder if the sun will ever come back at all. Christmas has always been creepy and with THE FRIGHT BEFORE CHRISTMAS you'll see the other side. This is a book for everyone who loves a little darkness around the holidays.

Be good or the Krampus will get you!

WITCH HUNT

A Traveler's Journey into the Power and Persecution of the Witch

Kristen J. Sollee

"A transcendent travelogue that guides readers through the history, places, and people of many of the witch hunts and how their legacy continues to impact us today."-Pam Grossman, author of Waking the Witch

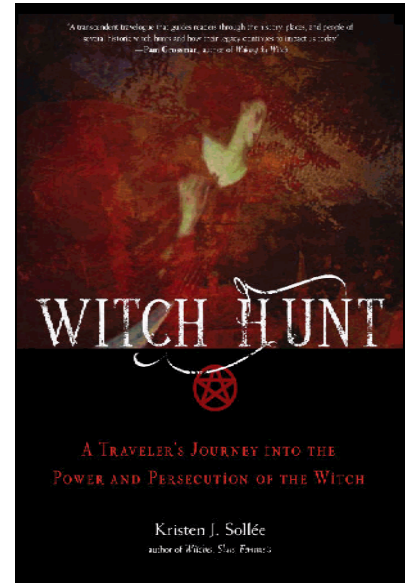

Between the 15th and 17th centuries, a confluence of political, economic, and religious factors ignited witch hysteria like a wildfire across Europe and later, parts of America. And women were disproportionately punished as a result. At the heart of the witch hunts were dangerous misconceptions about femininity and female sexuality. Today, this lineage of oppression remains an important reference point for all those who contemplate feminism, women's rights—and human rights—in the Western world and beyond.

Traveling through cities and sites across Italy, France, Germany, Ireland, the United Kingdom, and the United States, Kristen J. Sollée—a second-generation witch herself—explores the witch as a figure of female power and persecution. By infusing an adventurous first-person narrative with extensive research and imaginative historical fiction, Sollée (author of *Witches, Sluts, Feminists*) makes an often-overlooked period of history come alive.

WITCH HUNT isn't only an exploration of the horrors of this history, but it also uncovers how the archetype of the witch has been rehabilitated. For witches are not just haunting figures of the past; the witch is also a liberatory icon and identity of the present.

This paperback edition includes an updated introduction and a new afterword by the author.

SCOTT CUNNINGHAM- THE PATH TAKEN

Honoring the Life and Legacy of a Wiccan Trailblazer

Christine Cunningham Ashworth

Foreword by Mat Aurnyn

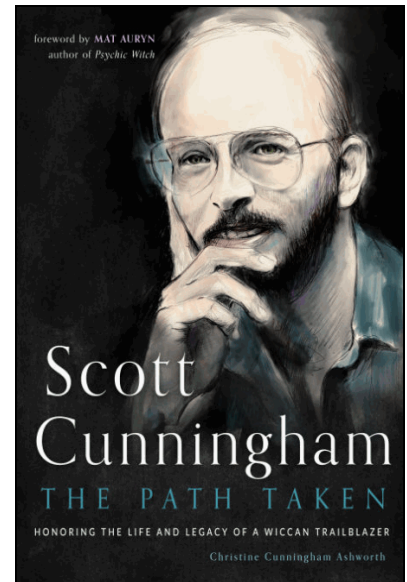

A moving portrait of the iconic figure who led the way in establishing Wicca in North America

The iconic and renowned bestselling author Scott Cunningham (1953-1993) was the central figure in establishing Wicca in North America. His pioneering book *Wicca: A Guide for the Solitary Practitioner* radically altered the practice of Wicca, enabling practitioners to self-initiate. Scott's books, especially his encyclopaedias, remain popular today, years after his death. In recent years, Scott has also emerged as a celebrated queer icon, especially in the witchcraft world. Although so many people have come to Wicca and Paganism through his books, little is actually known about Scott Cunningham as a person and about his spiritual life.

His little sister, Christine Cunningham Ashworth, seeks to remedy that. Since 2017, she has presented workshops devoted to Scott's life and work. Her book is offered as a gift to all those influenced by Cunningham's work. Christine grew up with him, laughed with him, learned with him, fought with him, and shared joys and sorrows. This book is not a biography as much as it is a memoir. The author writes about their childhood, gives a peek into their parents' lives, and brings to life what it was like to grow up in the Cunningham household. She explores the trajectory of Scott's magical path and affirms his legacy. She shares family photos and lifts the veil from Scott's life.

Featuring a foreword by Mat Aurnyn, author of *Psychic Witch* and *Mastering Magick*, the book contains contributions from other key figures in today's world of witchcraft, magic, tarot, and astrology, including: Stephanie Rose Bird; Amy Blackthorn; Storm Faerywolf; Nancy Hendrickson; Dorothy Morrison; Nicholas Pearson; Benbell Wen

OM

The Uncreated Creations

Guy Needler

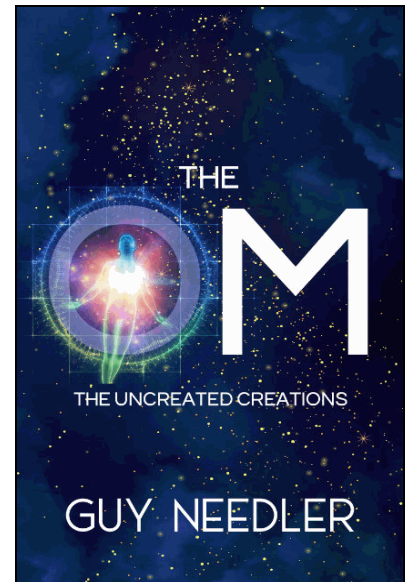

What are The Om? Why are they Uncreated? How can they operate outside of the structure of the Multiverse? Why are they not involved in the evolutionary cycle?

In THE OM, the reader will gain an understanding of what these rare entities are, their interaction with The Origin and The Source, and why they are considered to be Uncreated.

In direct dialogue with The Om, the Author describes:

- How The OM became uncreated, their structure and their variants, including New Om!
- What random sentience is.
- The gaps in The Origin's structure and what The Origin is doing to fill these gaps.
- What constitutes a Universal Computer.
- How machine sentience is generated.
- How to take evolutionary short cuts by increasing evolutionary content via parallel existence.
- Quantum latency and quantum fluidity and its functionality.
- Why mathematics will never be able to explain the physical universe.
- The role of Event Space in the uncreativity of The OM.
- And that singular dominant sentience is the inevitable outcome – Or is it!

GOD IS A WOMAN The Path to Singlediversity

Edin Huskovic

A book that will give you a different perspective on God, religion, and how we've all been raised.

It may well be that you label the book in front of you as a natural continuation of the stream of thoughts in those fragments where your thoughts stopped – or where your life stopped. It may well be that you are caught off-guard and unprepared in front of a text offered by the book GOD IS A WOMAN. You may find as well, by reading the text which follows, that your religious, spiritual or national feelings cherished by you for years are shaken and questioned too. All in all, this book will not leave you indifferent. And that is our only goal – that after you read the first five chapters of the book you simply do not remain indifferent. And whether you will keep on reading the book with enthusiasm or throw it away from you in resignation, let it be your choice only. Even if we could we do not have the intention to make an influence on that decision – anytime and anywhere. Except that we propose that together with us you try to tread on your own Path of Onedifference. (Or Singlediversity)

JOURNEY FOR LIFE

September 2023

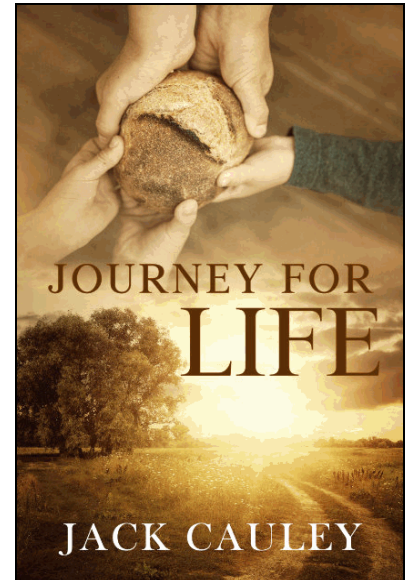

Jack Cauley

A fascinating account of life during the Great Depression

JOURNEY FOR LIFE is a family saga which details what one family experiences when the United States went into a Great Depression and jobs were almost impossible to find. When Bill Dykes, an out of work coal miner lost his job, he and his family of four erected a home site on the bed of a flatbed truck in order to have a place to live and also to travel and find work. Commerce across the world almost came to a standstill, and no large industries were hiring anyone, because they were either laying off workers or closing down. The Dykes family drove south, and Bill Dykes found small jobs for peace meal pay, however, he earned sufficient money to feed his family and also help a few others who were less fortunate.

In 1929, when the depression began, Franklin Roosevelt was not in office and Social Security, or any other federal benefit was unheard of. The most fortunate families in the U.S. during The Great Depression were farmers, fishermen, trappers, hunters, or anyone who had a job working with food products within the canning process, because they had food to eat, which meant survival for their families. The novel details how one family worshipped, worked, travelled, and lived as they kept moving from one State to another, always praying to find steady work in order to settle down in one location and belong to a local church and make lasting friends.

When the Dykes family became multi-billionaires their first priority was to establish food centres in large cities that had the largest populations, because most of the authorities were giving their citizens a slice of bread with a bowl of soup once a day. And not one day passed that the Dykes family failed to keep the poor unfortunate people across the U.S. foremost on their minds in order to try and help them. JOURNEY FOR LIFE is not a formula about how to handle resources, but it is a synopsis of what wealth can do to help our fellowman.

YOU SELFISH BASTARD

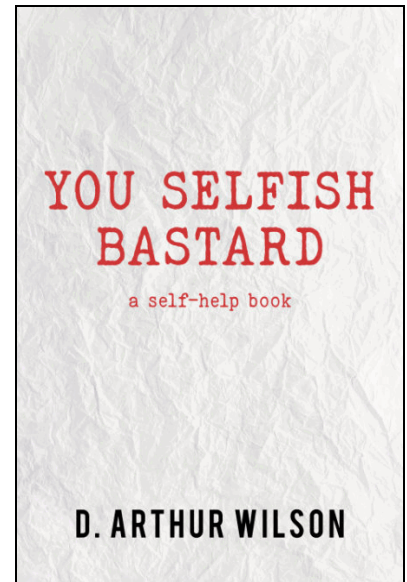

A Self Help Book

Dr. Arthur Wilson

You selfish bastard! Are you? Or do you know one?

There may be more to this question than meets the eye... What started out as an innocent search to this seemingly simple question, the author was led down a very interesting rabbit hole. It would seem that to answer one question, it raises many more. What does it mean to be selfish? When does self-care become self-ish? And "WHO" is Self anyway? Humorously crafted and superbly executed, D. Arthur Wilson's enticing narrative regarding the human condition engages the reader in an unexpected journey to the heart of the matter: Ourselves. An expert in the field of behaviour, mostly behaving badly, Dr. Wilson offers the wit and wisdom earned from the School of Hard Knox on the pages and into the minds and hearts of the reader seeking to find answers about those selfish bastards in our lives, and what in the world to do with them.

GASLIGHTING RECOVERY FOR WOMEN

The Complete Guide to Recognizing Manipulation and Achieving Freedom from Emotional Abuse

Amelia Kelley

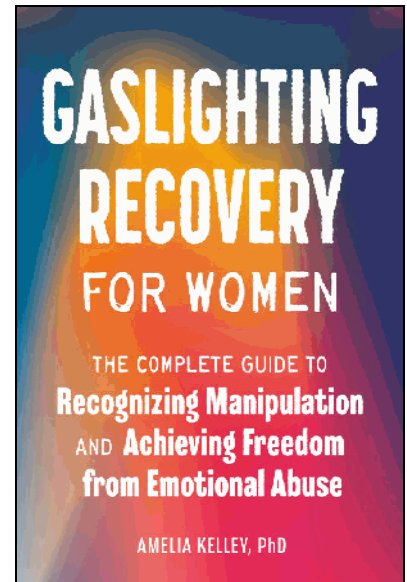

A complete gaslighting recovery guide for women to regain control and reclaim their lives

Gaslighting is one of the most destructive forms of emotional abuse that women can experience, causing them to distrust their own realities and perceptions and even believe they have a mental illness. In **GASLIGHTING RECOVERY FOR WOMEN**, trauma-informed therapist Amelia Kelley, PhD, offers evidence-based therapy and tools to help women detect and protect themselves from manipulation that can occur in all key areas of life - family, intimate relationships, work, academia, and healthcare. Her guided approach to healing from abuse helps survivors establish a greater sense of self-worth, self-esteem, and empowerment.

This book features:

- A three-part recovery program designed for understanding gaslighting, healing from trauma, and reclaiming your reality
- Real-life covert gaslighting cases from all aspects of a woman's life that help validate realities and perceptions that have been otherwise distorted by a gaslighter
- Accessible therapy exercises, activities, and techniques rooted in DBT (dialectical behavioural therapy), mindfulness, and self-love, among others, to facilitate personal healing from past traumas and guide women to embrace who they truly are
- Signs of mental manipulation for prevention and recovery that enable women to be self-aware and fully trust their instincts when they sense something is wrong

HOMECOMING

Healing Trauma to Reclaim Your Authentic Self

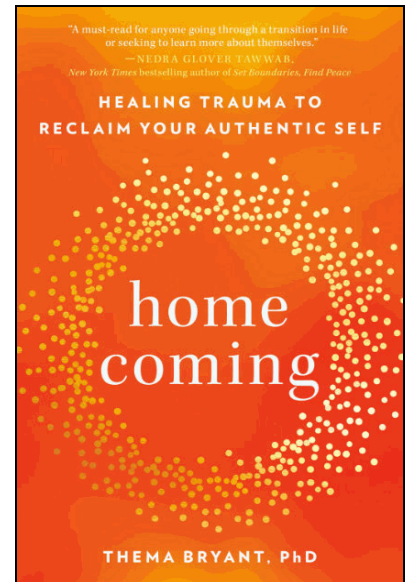

Thema Bryant

A road map for dismantling the fear and shame that keep you from living a free and authentic life

In the aftermath of stress, disappointment, and trauma, people often fall into survival mode, even while a part of them longs for more. Juggling multiple demands and responsibilities keeps them busy, but not healed. As a survivor of sexual assault, racism, and evacuation from a civil war in Liberia, Dr. Thema Bryant knows intimately the work involved in healing. Having made the journey herself, in addition to guiding others as a clinical psychologist and ordained minister, Dr. Thema shows you how to reconnect with your authentic self and reclaim your time, your voice, your life.

Signs of disconnection from self can take many forms, including people-pleasing, depression, anxiety, and resentment. Healing starts with recognizing and expressing emotions in an honest way and reconnecting with the neglected parts of yourself, but it can't be done in a vacuum. Dr. Thema gives you the tools to meaningfully connect with your larger community, even if you face racism and sexism, heartbreak, grief, and trauma. Rather than shrinking in the face of life's difficulties, you will discover in HOMECOMING the therapeutic approaches and spiritual practices to live a more expansive life characterized by empowerment, healthier relationships, gratitude, and a deeper sense of purpose.

GROWING UP IN PUBLIC HB

Coming of Age in a Digital World

Devorah Heitner

The definitive book on helping kids navigate growing up in a world where nearly every moment of their lives can be shared and compared

With social media and constant connection, the boundaries of privacy are stretched thin. GROWING UP IN PUBLIC shows parents how to help tweens and teens navigate boundaries, identity, privacy, and reputation in their digital world.

We can track our kids' every move with apps, see their grades within minutes of being posted, and fixate on their digital footprint, anxious that a misstep could cause them to be "cancelled" or even jeopardize their admission to college. And all of this adds pressure on kids who are coming of age immersed in social media platforms that emphasize "personal brand," "likes," and "gotcha" moments. How can they figure out who they really are with zero privacy and constant judgment? Devorah Heitner shows us that by focusing on character, not the threat of getting caught or exposed, we can support our kids to be authentically themselves.

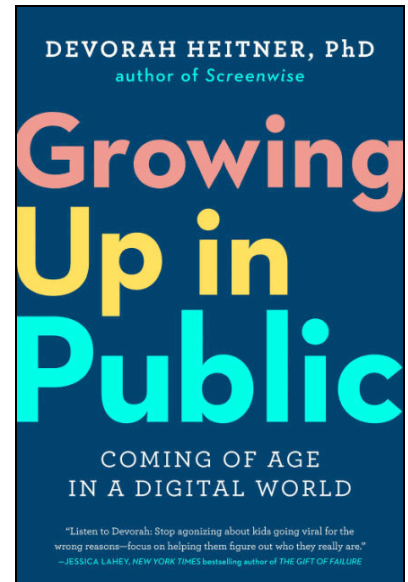

Drawing on her extensive work with parents and schools as well as hundreds of interviews with kids, parents, educators, clinicians, and scholars, Heitner offers strategies for parenting our kids in an always-connected world. With relatable stories and research-backed advice, GROWING UP IN PUBLIC empowers parents to cut through the overwhelm to connect with their kids, recognize how to support them, and help them figure out who they are when everyone is watching.

PLACE TO BELONG

Raising Kids to Celebrate Their Heritage, Community, and the World

Amber O'Neal Johnston
Foreword by Julie Bogart

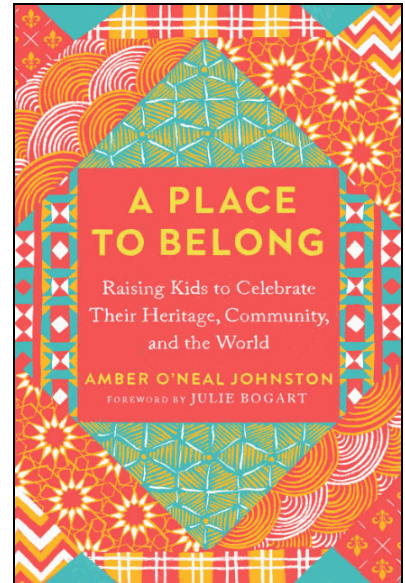

A guide for families of all backgrounds to celebrate cultural heritage and embrace inclusivity in the home and beyond.

Gone are the days when socially conscious parents felt comfortable teaching their children to merely tolerate others. Instead, they are looking for a way to authentically embrace the fullness of their diverse communities. A PLACE TO BELONG offers a path forward for families to honour their cultural heritage and champion diversity in the context of daily family life by:

- Fostering open dialogue around discrimination, race, gender, disability, and class
- Teaching “hard history” in an age-appropriate way
- Curating a diverse selection of books and media choices in which children see themselves and people who are different from them
- Celebrating cultural heritage through art, music, and poetry
- Modelling activism and engaging in community service projects as a family

Amber O'Neal Johnston shows parents of all backgrounds how to create a home environment where children feel secure in their own personhood and culture, enabling them to better understand and appreciate people who are racially and culturally different. A PLACE TO BELONG gives parents the tools to empower children to embrace their unique identities while feeling beautifully tethered to their global community.

TIME FOR YOU AND ME!

A One-year Mother Daughter Journal to Share, Create, and Bond

Amanda Justice

Swap stories, thoughts, and doodles with your six-to-nine-year-old daughter! Fun weekly prompts and activities will strengthen your special bond and spark meaningful conversations in this journal meant for girls and their mums.

Do you ever wonder what's going through your daughter's mind - how her school day really went, what made her laugh, what her biggest wish is? Written for girls and mums by a licensed family therapist, this pass-back-and-forth journal gives your daughter a fun way to explore her daily life, the world around her, and her feelings - both big and small - while you offer loving support through thoughtful prompts and on-the-page activities.

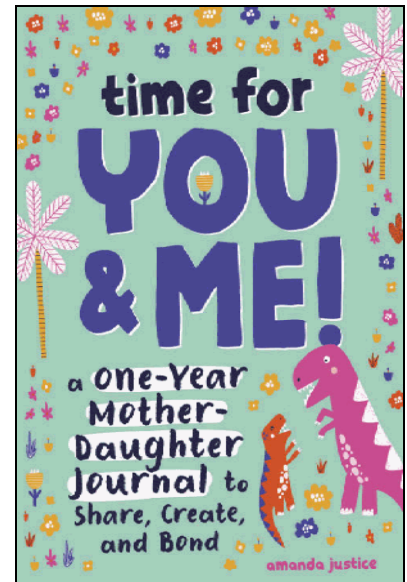

What's more, you'll have a keepsake full of precious memories to look back on at the end of the year!

TIME FOR YOU AND ME! includes:

- Reflective prompts - engaging, age-appropriate fill-in-the-blank questions for both Mom and Daughter to answer, with enough room to write or draw your responses.
- Hands-on creative activities - join your daughter in exploring her imagination, both on and off the page.
- Free space to express yourselves - sometimes words just aren't enough to describe how we're feeling or what we're experiencing. On these blank pages, you and your daughter can exchange doodles, works of art, or other questions you'd like to ask each other.
- Inspiring quotes - helpful words of wisdom to encourage your daughter's trust and confidence in herself as well as in your relationship.

Mum, you can't always be right there with your daughter as she grows and explores this complex world, but this journal can serve as a special place for you both to connect and learn from one another!

GROWING FEELINGS

A Kid's Guide to Dealing with Emotions about Friends and Other Kids

Dr. Eileen Kennedy-Moore & Christine McLaughlin

Children's biggest emotions often come up about friends and other kids. This funny and useful book helps kids understand and cope with feelings in ways that build strong friendships.

Everyone likes the idea of “best friends forever,” but friendships can be complicated, and they often involve dealing with difficult feelings. Almost all children have experienced feeling shy at a party where they don't know anyone, furious during an argument with a friend, or sad when a friend moves away. Because kids care a lot about friends, they often have big emotional responses about them.

This entertaining and empowering book addresses a wide range of feelings children have about friends and other kids, including worry, guilt, jealousy, compassion, and gratitude. Through relatable cartoon stories, practical, research-based coping strategies, plus silly commentary from a cat and dog who have their own (questionable) ideas about what might help, kids get a hands-on approach that they can put into practice.

Child psychologist Eileen Kennedy-Moore and parenting and health writer Christine McLaughlin show kids how to recognize the Feelings Story behind common friendship rough spots, demonstrating the links between events, thoughts, emotions, actions, and social reactions through the situational cartoons, so children can clearly see how their reactions fuel or resolve relationship problems. And going far beyond a simplistic and unrealistic “don't worry, be happy, think positive only” approach, GROWING FEELINGS offers a nuanced perspective on feelings about friends. It emphasizes that all emotions are useful and guides children in how to empathize with others' reactions, as well as how to understand, manage, and communicate in healthy ways about their own feelings.

Caring friendships are a protective factor for children's mental health. Giving kids the tools they need to deal with the feelings about friends is a powerful step toward protecting and improving their well-being.

DECIBELLA AND HER 6-INCH VOICE - 2nd Edition

September 2023

Julia Cook
Illustrated by Anita DuFalla

How to teach children not to shout

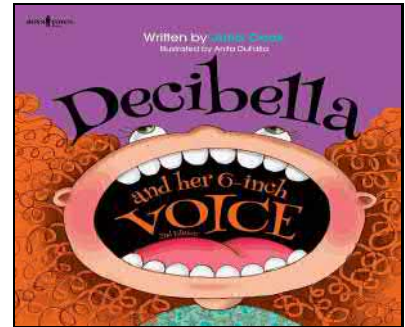

Decibella is so loud, she's hurting ears, startling wait staff, disrupting classmates, and annoying moviegoers.

She doesn't realize different environments and situations sometimes demand a softer, quieter voice. That is until a caring teacher introduces her to the silly-sounding word Slurpadoodle and the five volumes of voice (Whisper, 6-inch, Table Talk, Strong Speaker, and Outside).

With a little practice, patience, and persistence, can Decibella become a voice volume expert? Or will her volume be permanently stuck on shout?

A special page written specifically for parents and educators offers insightful and practical strategies to help children understand when and how to have a proper voice volume.

Fans of the original story will find more inclusive, empathetic, and empowering dialogue and situations in this revised second edition!

JOY! YOU FIND WHAT YOU LOOK FOR

September 2023

Gina Prosch
Illustrated by Kyle Merriman

Can Mum teach Holly a lesson about how you choose what you remember... and that can be good or bad.

Holly is having a miserable, rotten day!
She forgot her "show" for Show and Tell.
She dropped her sandwich on the floor.
She had to wait and wait and wait because Mum was the very last car in the pickup line
AND she's soaked to the bone from therein.

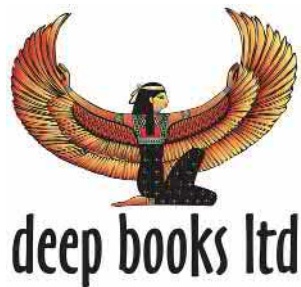

Nothing good has happened to her all day!
When Holly climbs into the backseat of the family car, she gives her Mum an earful. She doesn't even bother to acknowledge the cupcake and juice Mum has waiting for her. Holly is completely focused on all the things that are terrible or awful or boring.
Mum really doesn't want to spend the car ride home listening to a litany of her daughter's complaints and grievances. To lighten the mood, she convinces Holly to play a game of Count the Red Cars. But when they arrive home, Mum doesn't ask Holly how many red cars she saw. Instead, she asks Holly how many yellow cars she spotted.
The game was never really about cars and colours. It was actually a lesson about what you choose to see, and now Holly will never look at life the same way again!
Author Gina Prosch explores how easy it can be for kids to become so fixated on problems and disappointments that they ignore or simply miss all the good, funny, and joyful things that are happening around them. A special page written specifically for parents and educators offers insights and practical tips on helping children find more joy each and every day.

BE KIND ALPHABET HB

Teaching Children Compassion Through Learning the Alphabet

Anouk Frolic

An alphabet book that aims to inform and inspire children to pay attention to, and care for, all the animals we share our planet with.

From the smallest dragonfly to the largest walrus, all animals deserve to live out their lives naturally. They need help from us, and this book offers gentle, do-able ways to inspire a child to feel empowered, through whimsical Seussian-like verses. The human impact on our beautiful planet has been a destructive one that affects all life. This informative, call to action, lead with your heart and mind book, is filled with whimsical drawings and poems to encourage your budding animal activist. Armed with information and compassion, children can "learn to be a voice for those without. Come on, let's help each other, don't whisper...shout!" As the Zebu says: "We're plant eaters, flower eaters, lovers of life. If the world followed suit, there would be much less strife."

DAY WITH NO WORDS HB

September 2023

Tiffany Hammond
Illustrations by Kate Cosgrove

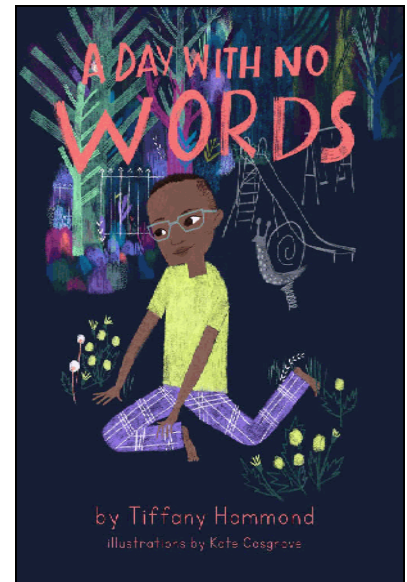

A must-read that belongs in every home and classroom, A DAY WITH NO WORDS invites readers into the life of an Autism Family who communicates just as the child does, without spoken language.

A DAY WITH NO WORDS is a colourful and engaging picture book for young readers shares what life can look like for families who use nonverbal communication, utilizing tools to embrace their unique method of "speaking."

The story highlights the bond between mother and child and follows them on a day where they use a tablet to communicate with others.

Written by an autistic mother of two autistic sons and the creator behind the popular @Fidgets.and.Fries social media platform and illustrated by Kate Cosgrove (IG @k8cosgrove), A DAY WITH NO WORDS successfully normalizes communication methods outside of verbal speech and provides representation of neurodiversity and autism in a way that affirms and celebrates.

The American Library Association Booklist starred review boasts, "The story is written from the boy's first-person perspective, however—a clever choice in that it gives readers a direct look into his mind and reinforces the book's crucial statement that nonverbal people have as many words and as much intelligence as anyone else. Cosgrove's art, throughout, does an amazing job of transporting readers into his perspective, employing various colour tones, metaphoric imagery, and 'camera' angles to reflect the deep expressiveness contained in every page [...] through this book, neurotypicals' eyes will be opened, and everyone in Autistic Families will feel seen—and heard."

HIRING VETERANS

How to Leverage Military Talent for Organizational Growth

Matthew J. Louis
with Dr. Anthony R. Garcia, Sr.

The definitive guide to hiring and retaining members of the military community by the foremost authority on the transition from military to civilian work life.

HIRING VETERANS makes the clear case for the value of employing members of today's military community. Veterans represent a real-time talent pool of experienced, trained, and dedicated professionals that, when properly harnessed, comprise an instant means of improving your competitiveness and productivity. Case studies of organizations both large and small clearly demonstrate how leveraging a veteran talent-based strategy is a business imperative resulting in organizational growth.

HIRING VETERANS covers important topics such as how to successfully:

- Organize and staff a veteran support program
- Identify and recruit candidates
- Onboard, deploy, and retain veteran hires
- Capitalize on financial incentives for veteran employment
- Apply for military-friendly recognition programs
- Comply with regulations impacting veteran employment

HIRING VETERANS is a practical guide for prospective employers who want to hire veterans. It addresses this primary question: How can employers better prepare for and employ transitioning service members to improve the productivity and competitiveness of their organizations?

"Having led the veteran hiring programs at multiple Fortune 100 companies, I can personally attest to the value of the process Matt has laid out in this book. If you or your business leaders seek to leverage the skills and abilities of this nation's military service members, Hiring Veterans is your guide."
—Sean Passmore, Head of Military Talent Strategic Sourcing and Enterprise Military and Veteran Initiatives, Wells Fargo Bank, N.A.

OBJECT AT HAND HB

Intriguing and Inspiring Stories from the Smithsonian Collections

Beth Py-Lieberman

From Dorothy's ruby slippers to a speech that saved Teddy Roosevelt from assassination, this authoritative guide delivers in-depth reportage on the history of remarkable objects from the Smithsonian's collections.

With charm and exuberance, **THE OBJECT AT HAND** presents a behind-the-scenes vantage point of the Smithsonian collections. Veteran Smithsonian magazine editor Beth Py-Lieberman weaves together adaptations of the magazine's extensive and compelling coverage and interviews with scholars, curators, and historians to take readers on an unforgettable journey through the Smithsonian museums.

Objects are grouped into the themes audacity, utopia, fierce, haunting, deception, lost, desire, triumph, scale, optimism, playful, rhythm, and revealing to engage with the emotional dimensions of each object, how they relate to each other, and how they fit into the larger American story. A sampling includes:

- Frida Kahlo's love letter to Diego Rivera
- Amelia Earhart's Lockheed Vega 5B
- Nat Turner's Bible
- An AIDS quilt panel honouring Roger Gail Lyon
- A signpost from the Standing Rock protest
- A glass-plate portrait of Abraham Lincoln
- Life-sized model of a Megalodon
- The Hope Diamond
- Chuck Berry's Cadillac
- Portrait of Henrietta Lacks

Py-Lieberman reflects on the profound connections between even outwardly dissimilar objects, and offers insight and stories from Smithsonian experts. The book explores artworks, scientific specimens, historical artifacts, airplanes, spacecraft, plants, and so much more, contemplating how each item represents different facets of humanity and resonates with cultural meaning in surprising ways. Whimsical, affecting, and insightful, **The Object at Hand** offers an intimate and exclusive tour of the Smithsonian collections.

SYNESTHESIA EXPERIENCE

Tasting Words, Seeing Music, and Hearing Color
Explore the Creative World of Intersensory Phenomena

Maureen Seaberg

"Explores a dimension of synesthesia long encountered in reports of synesthetes: its relation to mystical and artistic vision. . . fascinating accounts."-Patricia Lynne Duffy, author of Blue Cats and Chartreuse Kittens

A violinist sees a scarlet form when he plays a certain note; a rock star sees waves of blue and green as he composes a ballad; an actress tastes cake when she utters the word "table." Described by some as a superpower this mingling of the senses is called "synesthesia," and the people who possess this amazing gift are called "synesthetes."

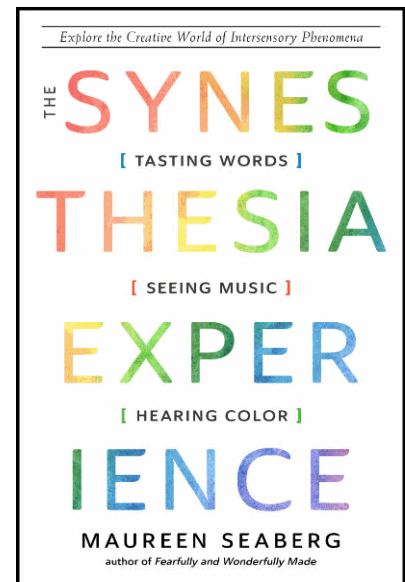

What happens when a journalist turns her lens on a mystery happening in her own life? Maureen Seaberg did just that and lived for a year exploring her synesthesia. The wondrous brain trait is often described as blended senses, but for Maureen, synesthesia is not an idle "brain tick" that can be explained away by science (although it does offer some important clues). It is a unique ability to tap into and reveal a greater creative universe and even the divine.

Join her as she visits top neuroscientists, rock stars, violinists, other synesthetes, philosophers, savants, quantum physicists, and even Tibetan lamas in her journey toward the truth. Famous synesthetes and experts interviewed in the book include: Billy Joel, Itzhak Perlman, Pharrell Williams, Dr. Dean Radin, Dr. Amit Goswami, and Dylan Lauren.

Step into Maureen's shimmering alternate universe as she explores this fascinating subject, combining clear explanations of groundbreaking scientific research with an exploration of deeper understanding of our senses.

- The BBC has said Seaberg has superhuman vision. Vogue called her the "Girl With Kaleidoscope Eyes"
- Synesthesia is a blending of the senses where, for example, individuals can see color from sound or taste the flavor or texture of a word
- Synesthesia is not understood by many though many famous creatives have it. Billie Eilish, Wassily Kandinsky, Lady Gaga, Richard Feynman, Pharrell Williams, Nikola Tesla, Lorde, Vladimir Nabokov, and Itzhak Perlman are all synesthetes.

JUDAISM AND GLOBAL SURVIVAL - 20th Anniversary Edition

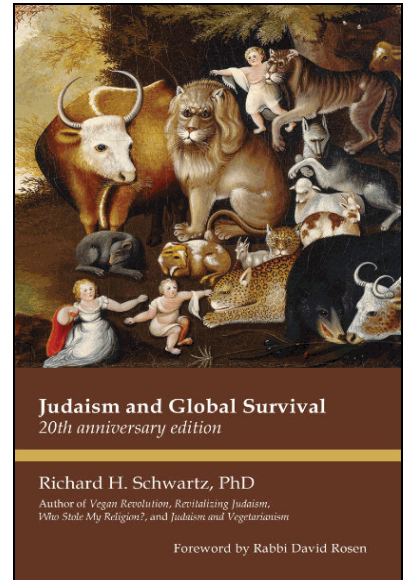

September 2023

Richard H. Schwartz
Foreword by Rabbi David Rosen

Presents basic Jewish teachings on peace, justice, compassion, sharing, love of neighbours, environmental sustainability, and others

This important book discusses the challenges facing humanity and the Jewish teachings related to these challenges, in order to galvanize Jews to help repair the world (tikkun olam), as required by Jewish law. It argues that we don't need to discover new values and approaches to address current global threats. What is needed is a rediscovery and application of basic Jewish teachings and mandates, such as to pursue peace and justice, to love our neighbours as ourselves, and to act as co-workers with God in protecting and preserving the world.

JUDAISM AND GLOBAL SURVIVAL is meant to be a wake-up call, the strongest that one can make, on the urgency of addressing climate threats and other environmental threats, and the importance of Jews applying Jewish values in addressing these threats. Among the issues discussed in the book are the following: Jews are to guardians of the earth, partners and co-workers with God in working toward tikkun olam, the healing repair and proper transforming of the world; climate change is an existential threat to the world and the only hope to avert a climate catastrophe is through a major shift to plant-based diets, as that would enable reforestation of the vast areas now used for animal agriculture, reducing atmospheric CO2 to a much safer level; vegetarianism, and even mores veganism, is the diet most consistent with Jewish teachings on preserving our health, treating animals with compassion, protecting the environment, conserving natural resources, and helping hungry people.

TREE WISDOM HB

A journey of wisdom, symbols, healing, and renewal

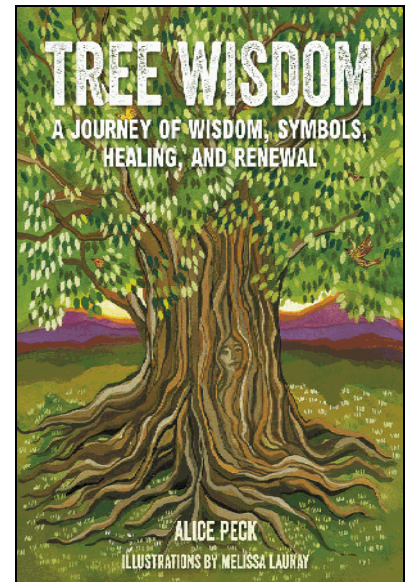

Alice Peck

Illustration by Melissa Launay

Discover how all trees can mirror us, teach us and heal us.

As author Alice Peck reflected on the maple tree in her backyard, she began to notice and then study its intricacies and changes. This became her regular meditation and inspiration. In *Tree Wisdom*, Alice shares what she has learnt from that maple tree, and from the trees all around us. Every tree tells a complete and ongoing story – they evolve along a much more protracted timetable than humans. Alice explores trees from four perspectives: their roots – wisdom and understanding; their branches – symbols and rituals; their leaves – healing and science; and their seeds – transformation and spirituality. All of these elements show us how, although they live outside us, trees offer a path to our inner selves. Filled with insights from botany to poetry, ecology to mythology and herbalism to sacraments, *Tree Wisdom* explores the ways these grounded yet soaring entities can steady and move us, teach and transform us, inspire and comfort us.

DRAWING FOR THE SOUL

Simple drawing projects for beginners, to calm, soothe and restore

Zoe Ingram

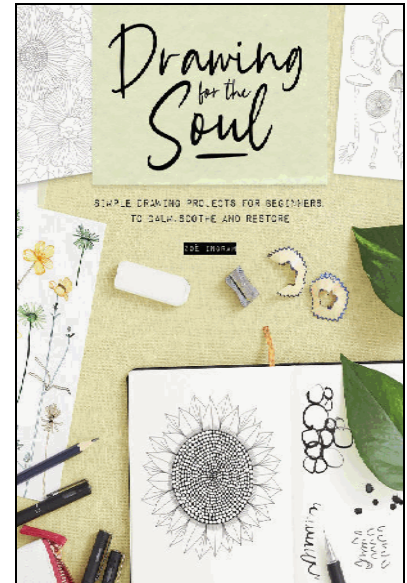

Learn how to use drawing to soothe your soul with this beginner's guide to drawing for relaxation.

So many drawing books focus on the result of your drawing, but this fresh approach looks first at the process of drawing as a means to de-stress and unwind. Many people love the idea of drawing but hold themselves back from starting because they are worried about not being good enough. In this guide for the absolute beginner, artist Zoe Ingram shows you that just drawing very simple lines and shapes can have a powerful meditative effect, and at the same time create beautiful art you can be proud of.

The aim of the techniques and projects in this book is to create art that relaxes both the artist and the viewer of the finished piece. Projects range from simple bookmarks, cards and small wall pieces to larger art pieces that you never thought possible - all done with a focus on relaxation - which is so important in today's fast-paced, increasingly digital world.

Learn why drawing can be so relaxing, what materials you can use, different ways to draw, what subjects you can draw, and create beautiful artworks that will lift the spirits both during the drawing process and beyond, as finished pieces of art.

SIMPLE ACTS OF KINDNESS HB

A 52-week interactive journal

Jacqueline Snowden

Transform your life with the positive power of kindness!

We can all agree that the world could always do with more kindness. But this doesn't have to mean grand gestures or expensive gifts - often it's the small, everyday interactions that matter the most.

Over 52 weeks, this undated journal guides you through the process of recognising the moments of kindness in your life, and helps you to spread that kindness to every person you meet. Combining the mindfulness of a gratitude journal with the practicality of a workbook, the role of kindness in modern life is fully explored with thought-provoking insights and exercises guiding you every step of the way.

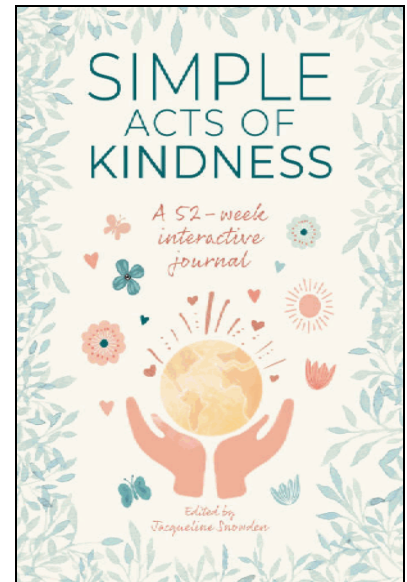

With a focus on the small things that brighten up your life, the power of spreading kindness, and keeping it in the forefront of your mind as you go about your days is laid out in attractive spreads with plenty of exercises to help you make being kind a defining feature of your personality.

Spread throughout the journal are suggestions for over 100 simple acts of kindness that you can perform, and 30 pages exploring the role of kindness in modern life from author Jacqueline Snowden. Particular focus is given to the importance of showing kindness to yourself and how that is the starting point from which kindness can flow, and on how it is possible - necessary, sometimes - to specifically choose to be kind. The lessons and exercises, tips and tricks are all reasonable and accessible, and help the reader explore ideas such as paying it forward and developing empathy. The tone is inspiring and encouraging, making prioritizing kindness seem like the easiest thing in a sometimes very unkind world!

Thanks to the undated format, the journal can be started at any point in the year, meaning readers can turn to it whenever they feel the need to really build the kindness habit into their everyday life.

The SIMPLE ACTS OF KINDNESS journal is the perfect companion to living a life filled with kindness and joy, for everybody who wants to spread a little joy in the world.

POCKET CLOUD BOOK HB

How to Understand the Skies

Jacqueline Snowden

Learn how to understand the skies with this comprehensive pocket guide to cloudspotting.

Brand new pocket size edition of the bestselling Cloud Book which has sold over 100,000 copies since 2008. Updated to include the 12 new officially designated cloud types that have been recognised by the World Meteorological Organization. Includes updated information on climate change and human-made clouds such as contrails.

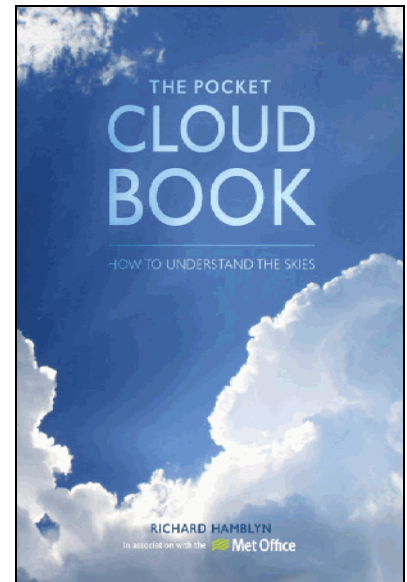

Clouds have been the object of fascination throughout history, their fleeting magnificence and endless variability providing food for thought for scientists and daydreamers alike.

Clouds may have many individual shapes, but there are a few basic forms. In this definitive guide to the clouds and the skies, Richard Hamblyn introduces you to all the different cloud species. The Pocket Cloud Book will enable you to identify individual clouds, skies and phenomena. You will also be able to track their likely changes over time and predict the implications they have for the weather you may experience.

This brand new pocket-size edition includes the 12 new cloud types only recently officially recognised by the World Meteorological Organization. Many of these previously only had informal names, but their new Latin classification brings them into the fold of officially adopted global meteorological terms. It also includes an updated section on climate change and the role that clouds might play in shaping future conditions on Earth. Produced in association with the Met Office - the world's premier weather forecasting bureau - all things to do with the origin and development of a cloud are here. Whether you are looking at a giant cumulonimbus or a tiny shred of stratus factus, an everyday occurrence or a fleeting rarity, your cloudspotting will be expertly informed and much more satisfying with this handy reference guide. This book will enable you to not only identify individual clouds and skies as they might appear at any given moment, but also to track their likely changes over time, and thus predict weather patterns.

Illustrated with stunning images from around the globe, this pocket edition is the perfect size to take with you on walks and have it handy in the garden so that you can enjoy sky-gazing every day. This is the only guide to cloud classification that you will ever need, in handy and practical pocket-friendly size.

FLOURISHING WOMAN

A mental health and wellbeing guide

Dr. Cate Howell

A guide to help women achieve optimum mental health and wellbeing.

THE FLOURISHING WOMAN is a unique, holistic guide to fostering women's mental health and wellbeing, allowing them to overcome challenges and flourish in life. It emphasizes the influence of mental health and wellbeing on the prevention of ill-health (physical and mental), and on living a satisfying and meaningful life. The book addresses many topics that are highly relevant to adult women, including why women often put themselves last; ways to overcome stress, overwhelm and anxiety; reproduction, menopause and mental health; and managing parenthood challenges and relationship issues. Other topics include the impact of trauma and physical illness on mental health, and strategies to manage these impacts; and how to silence self-criticism and grow self-worth. In writing about these topics, Dr Cate Howell sees her role as not only gathering and presenting the key information, but also being a companion for the reader, having a supportive voice and giving plenty of encouragement, all of which can help at times of challenge and times of growth. Above all, The Flourishing Woman is a guide to fostering our mental health and wellbeing, which includes getting in touch with our authentic selves, feeling connected, growing as a person (even at times of challenge), and finding a sense of purpose and meaning. In other words, flourishing!

UNTETHERED

Living the digital nomad life in an uncertain world

Nathan James Thomas
Foreword by B. A Van Sise

Discover the truth behind the digital nomad dream and master your own location-independent life.

In UNTETHERED you'll learn exactly what it takes to engineer a digital nomad lifestyle in a post-pandemic world. With travel stories and case studies interlaced with clear, real-world guidance, you'll discover whether the digital nomad lifestyle is for you and equip yourself with the tools to create your own location-independent life.

The allure of becoming a digital nomad has inspired many to leave their jobs and embrace a life that is both global and free from the daily 9-to-5 grind. Picture traveling to exotic destinations, connecting with fascinating people, and embarking on endless adventures - all while earning a living with just a few keystrokes.

However, many find themselves disillusioned in pursuit of this dream. The realities of a digital nomad life are far from simple, and amid ongoing global uncertainty, the complexities of life on the move have become even more daunting to navigate.

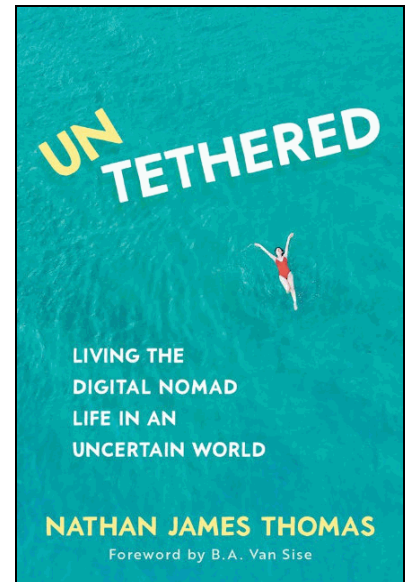

Yet, with the complexities of today's world arise unprecedented opportunities: remote work has transformed from a rarity to a viable option within reach for many. As companies compete for top talent, opportunities for workers across industries to establish themselves as digital nomads are more abundant than ever.

In UNTETHERED, you'll uncover the secrets to crafting a digital nomad lifestyle in today's complex world. Step-by-step guidance will show you how to move from wherever you are now to a fully location-independent reality as a freelancer, remote worker, or entrepreneur.

With gripping travel stories and insightful case studies, combined with practical, real-world guidance from successful digital nomads of diverse backgrounds, you'll determine if the digital nomad lifestyle is right for you and uncover the keys to living a life truly untethered by location.

Digital nomads work online from anywhere in the world. If you've ever wanted to live like this, but don't know where to start, UNTETHERED is for you. Let a veteran digital nomad take you by the hand and lead you through this new territory. Learn exactly what it takes to engineer a digital nomad lifestyle in a post-pandemic world. With travel stories and case studies interlaced with clear, real-world guidance, you'll equip yourself with the tools to create your own location-independent life.

MADONNA SECRET

A Novel

Sophie Strand

Mary Magdalene's confessions reveal a sensual world of love and betrayal, magic and mystery, hidden within the Gospels

When Leukas, a Christian convert, ventures into the wilds of Gaul to receive the hidden teachings from Mary Magdalene before she dies, he discovers that hidden within the Gospels he thinks he knows is an epic love story—between an educated Jewish woman overwhelmed by her mysterious spiritual powers and a sensual magician devoted to the wisdom of the earth. The secrets she will reveal are both more shocking and more tragic than anything readers have encountered before.

Beginning with Miriam's childhood as a wealthy Jew outside Bethany, we see her struggles as a young woman with spiritual curiosity and intellectual aspirations that drive her to combat the violence of Empire and the sexism of her own culture. Propelled by mystic visions, Miriam is finally drawn into the wilds of Galilee, where her destiny collides with a mischievous rabbi who will change her and the world forever. Trapped in a mythic story unfolding in events around them, the lovers strive not to repeat a tragedy older than the pyramids.

In *THE MADONNA SECRET*, Sophie Strand resurrects a richly textured world where complex characters reveal the lived reality of scripture and open familiar sayings to radical new meanings and possibilities.

ARS NOTORIA: THE NOTORY ART OF SOLOMON

A Medieval Treatise on Angelic Magic and the Art of Memory

Translated By Matthias Castle

Introduction by Matthias Castle

A new translation of the classic magical text from the original Latin

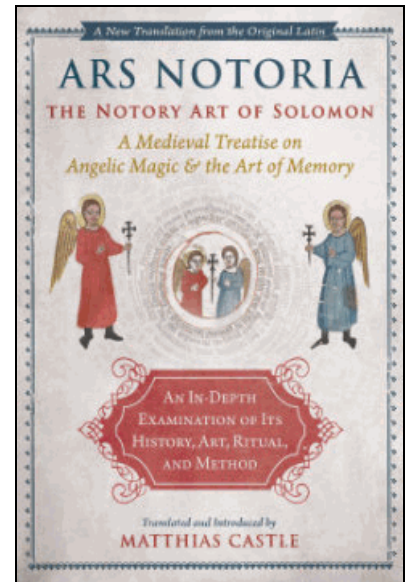

The 13th-century magical treatise *Ars Notoria* offers a secret account of the angel Pamphilius revealing the sacred magic to King Solomon by which he gained his famed wisdom and learning, thereby expanding upon the biblical narrative in which Solomon received a vision of God. Solomon's writings were transmitted to the first-century philosopher, Apollonius of Tyana, who provided a commentary entitled the *Golden Flowers (Flores Aurei)*, which is contained within *Ars Notoria*.

The magical text presents a complete system of angelic magic consisting of prayers addressed to angels, using figures called *notae*, for the purpose of acquiring scholastic and heavenly knowledge. Due to its rising popularity among university students, the magical ritual was reworked time and again, producing five treatises, dating from the 13th to 15th centuries; *The Work of Works (Opus Operum)*, *the Book of Flowers of Heavenly*

Teaching composed by the French Benedictine monk named John of Morigny, *The Short Art (Ars Brevis)*, the abridged version attributed to Thomas of Toledo, and *The Pauline Art (Ars Paulina)*, thereby establishing an entire notorial art tradition.

In this new and complete translation of *Ars Notoria*, based on Julien Veronese's critical Latin edition, translator Matthias Castle presents the classic magical text, both short and long versions, including four of the later treatises. Castle explains how these theurgic ritual practices were performed, giving special attention to all the original pictorial figures (*notae*), and how the art of memory relates to angelic magic. Providing practical instruction, extensive commentary, and in-depth background research and annotations, *Ars Notoria: The Notory Art of Solomon* is an essential sourcebook on angelic magic for scholar and magician alike.

MAGIC OF THE ORPHIC HYMNS A New Translation for the Modern Mystic

Tamra Lucid & Ronnie Pontiac

Recaptures the magical vitality of the original Orphic Hymns

As famous Renaissance philosopher Marsilio Ficino wrote, “No magic is more powerful than that of the Orphic Hymns.” These legendary teletai of Orpheus were not simply “hymns”—they were initiatic poems for meditation and ritual, magical, and ceremonial use, each one addressed to a specific deity, such as Athena or Zeus, or a virtue, such as Love, Justice, and Equality. Yet despite the mystical concepts underlying them, the original hymns were formulaic, creating an obstacle for translators. Recapturing the magical vitality that inspired mystery cults through the ages, Tamra Lucid and Ronnie Pontiac present new versions of the teletai that include important esoteric details and correspondences about the being or deity to which each hymn is addressed. The authors also include a new version of a lost hymn to Number and messages that were inscribed on golden leaves meant to be passports for the dead, reinventions that preserve the original magical intent and mysticism of the teletai. The authors provide a complete historical survey, based on the latest research, of the obscure origins and evolution of the Orpheus myth, revealing a profound influence at the heart of Western esotericism as well as on countercultures throughout Western history. Revealing the power of the individual hymns to attune the reader to the sacred presence of the Orphic Mysteries and the higher order of nature, the authors also show how, taken together, the Orphic Hymns are a book of hours or a calendar of life, addressing every event, from birth to death, and walking us through all the experiences of human existence as necessary and holy.

1001 CRYSTALS HB

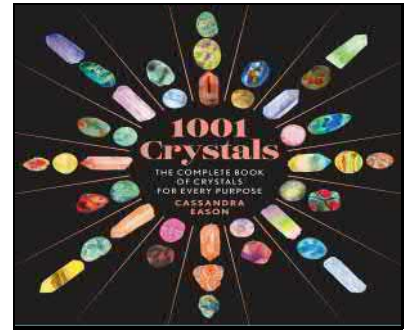

The Complete Book of Crystals for Every Purpose

Cassandra Eason

Tips and tricks, and easy practices anyone can incorporate into their daily routine to increase good fortune, ward off the evil eye, heal the body and the spirit

You may be familiar with rose quartz, amethyst, tourmaline, or selenite - but what about agrellite, Blade of Light, star garnet, or king cobra jasper? A wealth of knowledge and amazing healing powers can be gained by studying the wide world of crystals, from the most popular varieties to the lesser known. Cassandra Eason, practicing witch and author of more than 130 books on every aspect of the magical and mystical, supplies this compendium of wisdom full of never-before-seen research, tips and tricks, and easy practices anyone can incorporate into their daily routine to increase good fortune, ward off the evil eye, heal the body and the spirit, and more.

DREAMERS TAROT

September 2023

A 78-Card Deck of Modern Magic
Marcella Kroll

With this kaleidoscopic reworking of the traditional tarot, intuitive and artist Marcella Kroll takes its 78 cards down to their most fundamental archetypes. Instead of limits, this deck is about freedom: from good-and-bad binaries, unbreakable rules, and traditional morality. Instead of The Lovers, Marcella explores the concept of duality with The Twins. Instead of The High Priestess, there is The Oracle. Her spreads can be used to answer any questions about life. The Creator, The Architect, The Ancestor, and other nontraditional, non-gendered cards are excellent guides for readers who wish to divine their future and learn more about themselves with a contemporary, vibrant deck.

LITTLE BIT OF SELF-CARE BOXED SET

An Essential Toolkit for Spiritual Wellness

Meagan Stevenson, Amy Leigh Mercree and Chad Mercree

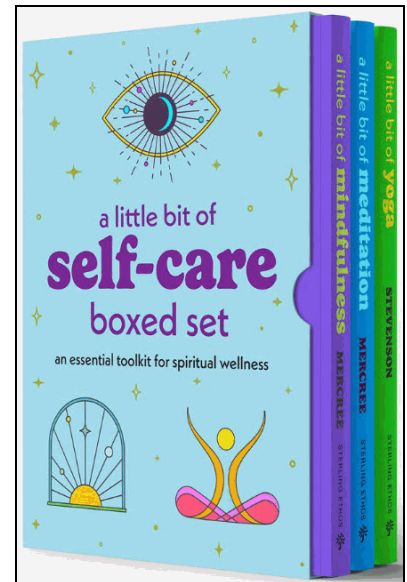

September 2023

THE LITTLE BIT OF SELF-CARE BOXED SET is a wonderful way to gain introductory knowledge of mindfulness, meditation, and yoga, three crucial subjects that can lead to a wealth of healing and self-understanding. With this set of newly redesigned books, anyone can learn to access a healthier mindset through accessible text and practical advice, including exercises that can easily be added to a daily routine.

In this fast-paced world that seems tailored to produce short attention spans, it's important to learn mindfulness techniques for accessing and creating a peaceful inner place. Meditation can decrease anxiety and improve the quality of our experience on Earth, and yoga is still practiced today as a means to physical, mental, and spiritual health.

THE LITTLE BIT OF SELF-CARE BOXED SET includes the introductory knowledge of mindfulness, meditation, and yoga, and presents them with gorgeous diagrams, visuals, and accessible text. With this set, anyone can learn to access a healthier mindset with mindfulness, the practical applications of meditation, and some of the basic postures practiced in yoga. This set is a crucial addition to any person's self-care library.

The three titles in this set are: A Little Bit of Yoga, A Little Bit of Meditation and A Little Bit of Mindfulness

MINDFULNESS IN MINUTES: MEDITATION FOR THE MODERN FAMILY HB

Over 100 Practices to Help Families Find Peace, Calm, and Connection

Kelly Smith

MINDFUL IN MINUTES: MEDITATION FOR THE MODERN FAMILY helps families explore the healing benefits of meditation with over 100 guided practices for parents, teens, and kids of all ages.

Slow down, calm down, and come together with this complete guide to meditation for the whole family - featuring targeted practices for parents, teens, and kids of all ages.

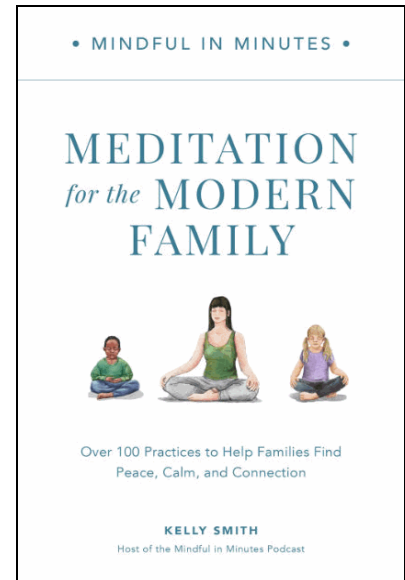

As a certified yoga teacher, meditation teacher, and host of the chart-topping podcast Mindful in Minutes, Kelly Smith is no stranger to the wide-ranging health benefits of meditation. And she discovered she needed them more than ever when she became a mom for the first time. Suddenly finding herself coping with sleepless nights, disheartening physical changes, uncontrollable worries, and near constant sensory overload, Kelly found solace in the same thing she always had: her daily meditation practice. In doing so, she discovered how meditation could help not only mums cope with common family challenges, but every other member of the family as well.

Kelly shares her hard-won wisdom with listeners across the country in her second podcast Meditation Mama, and now, in this fully illustrated book. **MINDFUL IN MINUTES: MEDITATION FOR THE MODERN FAMILY** helps families of all kinds learn how to use meditation to cope with the everyday struggles of being a person who is also part of a family. Covering topics ranging from quieting the mind and managing stress to handling resentment and cultivating compassion, this book offers specialized practices for each family member by age - adults, teens and older kids, and small children. Topics include: Being Present; Finding Joy; Anxiety; Hyperactivity; Worthiness; Empathy; Burnout; Insomnia; Self-Confidence; Overstimulation; Connecting with the True Self; And much more.

With three distinct, age-appropriate practices for each topic, Kelly ensures that every member of the family has access to a practical, focused meditation "toolkit" to draw on when they need a little extra help. The book also includes a series of dedicated meditations for expectant parents, a series of meditations to promote a healthy, loving relationship between partners, and over 250 mantras to help you focus your mind and go deeper into your practice.

Whether you are a meditation beginner or a long-term practitioner, this book will help you and your family feel calmer, happier, and more connected.

POWER, PURPOSE, PRACTICE HB

Finding your True Self Through Astrology, Numerology, and Tarot

Kerry Ward

POWER, PURPOSE, PRACTICE helps you discover and embrace your true self by harnessing the ancient wisdom of tarot, astrology, and numerology as they relate to your specific birth date.

Build a unique, multi-faceted personality profile based on your birth date to help fuel your personal growth through every stage of life.

Am I on the right path? That is the question internationally recognized tarot expert Kerry Ward faces daily from thousands of private clients and readers of her popular Cosmopolitan tarot column. In **POWER, PURPOSE, PRACTICE**, she shows you how to answer it for yourself using a simple system based on an insightful blend of astrology, numerology, and tarot and perfected by 25 years of tarot reading.

Your birth date holds the key to the system. From there, astrology guides you to your ruling planet and your ruling element, while tarot reveals your personality archetype. These three items - planet, element, archetype - represent your power.

To discover your purpose, we turn to numerology, which provides a guided map for your life journey via your Life Path number.

Finally, Kerry provides a series of meditations and rituals for you to practice in your daily life, to help you amplify your power and direct it toward your purpose.

Are you ruled by the fiery ambition of Mars or the beautiful energy of Venus?

Are you an emotional, shape-shifting water sprite or a grounded, healing earth mama?

Is your tarot archetype the wise, solitary Hermit or the magical visionary of the Star? Or the gentle hero of Strength?

Is your purpose to build new worlds from the ground up, to create and communicate stories, or to seek deeper meaning in service to others?

Written in a casual, intimate voice and bursting with bold, inclusive artwork, this spiritual guide helps you understand each of these cosmic connections and more as you explore every facet of your personality and discover your true self.

Are you on the right path? **POWER, PURPOSE, PRACTICE** will help you find out, so you can find your way.

NATURAL HISTORY OF MAGICAL BEASTS HB

September 2023

Emily Hawkins

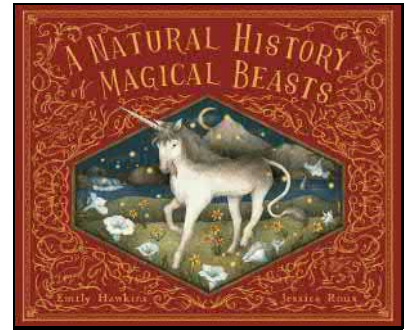

Illustrated by Jessica Roux

A complete guide to magical creatures from around the world, from their lifecycles and behaviour to how they have hidden themselves from human discovery for centuries.

Tales of magical creatures have been told across the world for generations... but are these stories merely flights of fancy, or is there any truth to the legends of unicorns and dragons, centaurs and griffins?

Presented as the notebook of a 1920s zoologist, this lavish volume sets out to answer this question, revealing the hidden world of the magical beasts that live among us. Within these pages you will meet bizarre and beautiful creatures from around the globe, discovering their habits, habitats and the legends surrounding them. Learn about the anatomy of a unicorn, the life cycle of a phoenix, incredible dragon courtship dances and much more in this ultimate guide to magical creatures.

Featuring a gold-foil-embossed cloth cover, a ribbon marker and sprayed gold edges, this gorgeous volume is filled with beautiful illustrations and precise notes detailing the secret lives of magical beasts. This exquisitely illustrated album will entrance all true-believers and fantasy enthusiasts.

FIND THE FAIRIES

September 2023

A Memory Game

Emily Hawkins

Illustrated by Jessica Roux

- Fairy matching game: Can you reunite the fairies with their friends in this fun and easy-to-learn game?
- Sturdy gift box contains: 40 cards, each measuring 8.8 x 6.6 cm / 3.5 x 2.6 in., and a 28-page booklet; box size is 10 x 14.4 x 4.7 cm / 4 x 5.5 x 1.75 in.
- 20 diverse fairy species: With fairies from all parts of the world, match the pairs who belong to the same species
- Includes an illustrated booklet: Covering game rules, fairy facts and tips for finding them yourself
- Fairy fun for ages 4+: Delightful screen-free entertainment for fairy lovers everywhere

Discover enchanting fairies from all around the world with this stunningly illustrated matching game.

Based on the popular book from the Folklore Field Guides series *A Natural History of Fairies*, the cards feature naturalist illustrations of fairy species from different regions of the world, from the Alpine Sprite to the Savannah Fairy, and the Rainforest Nymph to the Polar Wanderer.

The booklet, in addition to explaining how to play the game, serves as a field guide to the fairy species on the cards, with details on their habitats, dwellings, distinctive features and habits. For instance, learn how the Firefly Sprite (*Nymphula scintilla*) uses bioluminescence to make their way through the bamboo forests of China and how the Himalayan Oread (*Nymphula nipalensis*) hibernates in a snowy burrow through the winter, but descends to mountain meadows to feed on flower nectar in the summer. You'll also find out where and when to look for fairies, and signs of their presence.

To play the game, arrange the cards face down on a table, then flip two over – do they show the same fairy species? If they do, you collect the pair. If not, try to remember where the different fairy species are located so you can make a match on your next turn.

Put your memory skills to the test and learn about the diverse fairies of the world while you play. Gather more pairs than your opponent to win!

ASTROLOGY ALMANAC 2024 HB

Your holistic annual guide to the planets and stars

Emma Howarth

A beautiful gift for astrology or daily horoscope lovers, THE ASTROLOGY ALMANAC 2024 is your holistic annual guide to the planets and stars.

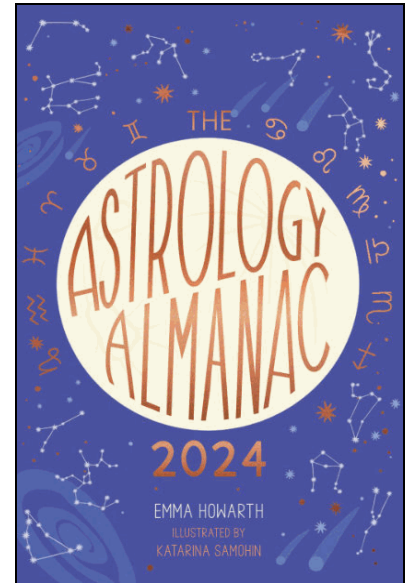

Improve your wellbeing every day through the practice of astrology, and find guidance and inspiration through the symbolic movement of the celestial bodies.

Astrology affects you every day, not just when it's the season of your star sign (although this is your most powerful time to shine!) Divided into the 12 zodiac signs and detailing every major astrological event, follow the planets and zodiac signs as they shift throughout the year, and learn how to live your best life in every sign, from earthy Capricorn through to fiery Sagittarius season. With everything you need in one handy guide, this is a great resource, whether you're a beginner, new to astrology, or are a practicing astrologer.

Discover more about planetary movements such as mercury in retrograde, and explore what it means, how to use it to your advantage, and what to focus on. Allow this almanac to guide you as it tells you, based on the movement of the skies, when the optimal time is to manifest new beginnings, when to perform a ritual for money-making, and how to use astrology as a tool for self-care.

With mantras, advice, and wellbeing tips for each of the zodiac signs, this guide to astrological self-care and living is perfect for every star sign.

MYSTICAL MUSHROOMS HB

Discover the Magic & Folklore of Fantastic Fungi

Aurora Kane

In MYSTICAL MUSHROOMS, explore the magical properties, mythological connections, and symbolic qualities of ever-intriguing fungi.

MYSTICAL MUSHROOMS defines the beauty of mushrooms by focusing on their magical connections and symbolic meanings through folkloric tales and superstitions throughout the world.

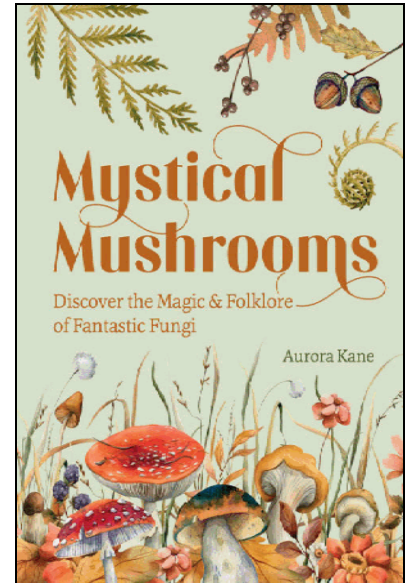

Go for a walk in the woods on any given summer day and you may find yourself surrounded in fungi galore as they lay nestled among the ferns and trees. After a rainstorm, peek out in your backyard and you may see tiny spores sprouting from the grass, forming what is known as a fairy ring. Mushrooms grow in all shapes, sizes, and colours and - depending on where you live - you might find some that are conducive to magic practice. MYSTICAL MUSHROOMS enters this realm, exploring the magical properties, mythological connections, and symbolic qualities of the fungi that so intrigue us.

Author Aurora Kane takes you on a journey through the mystical universe of mushrooms. From ancient traditions to the concept of fairy rings, Kane reveals how mushrooms have long been entwined with the supernatural in art, literature, and religion. This includes topics surrounding:

- Magical History
- Spells
- Symbolism
- Spirituality

Coupled with stunningly depicted artwork, Mystical Mushrooms explores the qualities of over 35 species of mushroom, displaying a range of compelling subjects surrounding the true power of these fabulous fungi.

COSMIC COMPANION WORKBOOK

A Guide for Incorporating Astrology Into Your Life

September 2023

The Pulp Girls

COSMIC COMPANION WORKBOOK is a beginner-friendly guide to understanding the zodiac that incorporates your star sign into your day-to-day life.

The COSMIC COMPANION WORKBOOK offers an interactive foundation in astrology, including insight on your sun, moon, and rising signs, and other features of your birth chart.

The world of astrology is a vast ocean of concepts and ideas that can appear intimidating when encountered. However, it is the allure of knowing more of oneself that draws us into this sphere of astrological symbology, birth chart comprehension, and nothing more than the pure magic of what truly connects us humans to the stars. While seemingly daunting, The Pulp Girls open this portal by providing a beginner-friendly guide to understanding the zodiac, the COSMIC COMPANION WORKBOOK, which incorporates your star sign into your day-to-day life.

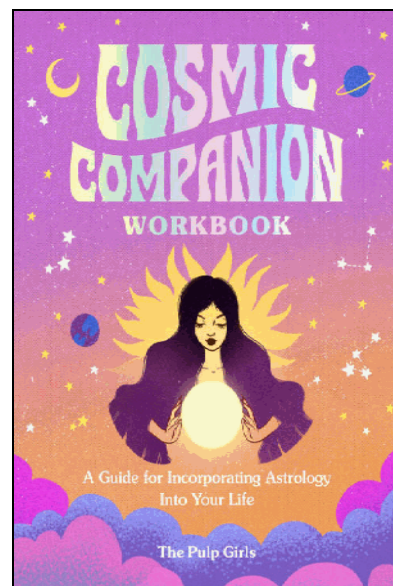

This guided workbook incorporates writing passages, prompts to get you started on your journey to understanding your star sign, and some guided activities. Utilize this workbook to practice and better your astrological comprehension.

This guidebook includes twelve sections, one dedicated to each star sign, that will help you become more attuned to many aspects of your own, and others', signs including topics surrounding:

- Self-care style
- Magic potions for the signs
- Communication styles
- Preferred mixology
- Emotional needs
- Love languages

...and many more that will quench your thirst for an expertise in every astrological sign!

By connecting to your birth chart and star signs, you are embarking on a journey of true knowledge of self. Paired with stunning and diverse illustrations, this is the perfect guidebook for astrology lovers and anyone interested in entering the astrology world!

KITCHEN WITCH HANDBOOK HB

Wisdom, Recipes, and Potions for Everyday Magic at Home

Aurora Kane

THE KITCHEN WITCH HANDBOOK is an introduction to traditional practices in witchcraft, and a hands-on guide for learning home-based folk witchcraft that has been practiced for countless generations.

A magical life begins at home with this warm and lively introduction to the traditions and practice of kitchen witchcraft.

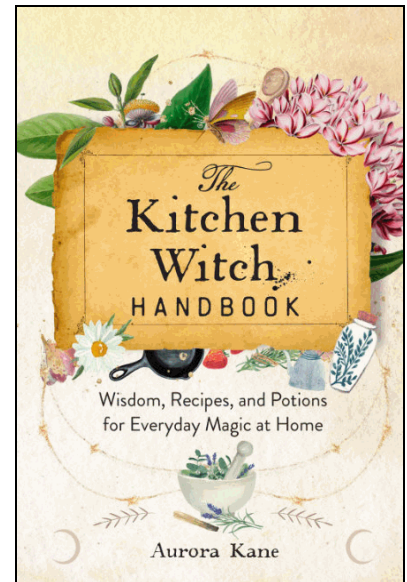

As spiritualists, healers, and herbalists, witches throughout history have developed various methods of healing through potions, spells, and remedies worldwide. Despite their efforts for good, many have suffered from years of persecution, which has led to a general misunderstanding of their craft. THE KITCHEN WITCH HANDBOOK combats that, providing an assortment of magical traditions from a fresh, modern perspective. If you are interested in Wicca and traditional kitchen potions, spells, and rituals, THE KITCHEN WITCH HANDBOOK is the perfect magical reference.

This hands-on guide introduces the home-based folk witchcraft that has been practiced for countless generations. Learn to weave your magical intentions into food and cooking and use everyday ingredients for mystical purposes. Brimming with beautiful photography and illustrations, this intriguing and accessible volume offers:

- Guidance on creating a magical kitchen and kitchen altar
- 100 Recipes and kitchen spells, including a candied lime money spell, rosemary protection cookies, and a lavender simple syrup for clarity and calm
- Tips on how to incorporate magic and intention into cooking
- A glossary of correspondences and magical properties for fruits, vegetables, and other ingredients
- A framework for creating your own unique spells at home using the ingredients you have on hand

Enjoy bringing a new magical dimension to your kitchen with The Kitchen Witch's Handbook, a delicious introduction to the long tradition of creating magic in the heart of your home.

GHOSTS, MONSTERS, AND DEMONS OF INDIA HB

September 2023

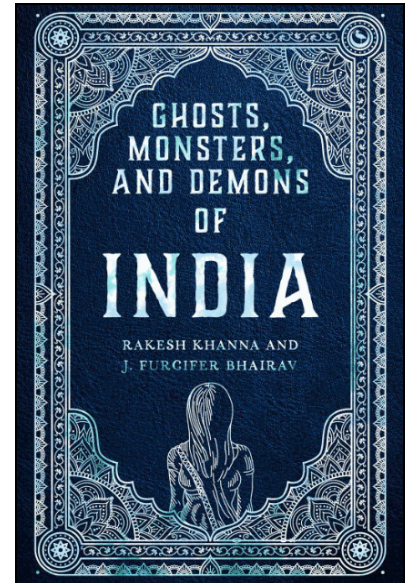

Rakesh Khanna and J. Furcifer Bhairav

An illustrated guide to the folktales and real-life stories of the ghosts, monsters and demons of India, a culture famously rich in tradition and legends.

"I was not prepared for how deeply this book captivated me ... Ghosts, Monsters, and Demons of India is exemplary of what a book can be, how it can operate. It's a bridge across space, time, and language" - Robin Sloan, author of Mr. Penumbra's 24-Hour Bookstore

An encyclopaedia of evil entities and folkloric fiends from across India, from Ladakh to Kerala, Lakshadweep to Nagaland, Naraka to Tuchenkwaka, complete with 60 spooky illustrations. Inside this book you will find ...

- Killer robots built with stolen Roman engineering technology that once guarded the relics of the Buddha
 - The ghost of a 21-year-old motorcyclist whose Enfield Bullet is venerated at a highway temple in Rajasthan
 - A Himalayan drum-playing spirit-teacher whose wife is a fearsome Yeti
 - Diabolical entities conjured into existence by the simultaneous deaths of seven tigers
 - Triple-rooted night-flying Vedic necromancers
 - Call-centre employees from beyond the grave
 - The dreaded Ngalei Ahmaw of Maraland, whose victims' heads detach themselves from their bodies at night and go wandering in search of blood ...
- AND MORE

BIG WITCH ENERGY HB Power Spells for Modern Witches

Semra Haksever

A must for any modern witch wanting to break the patriarchy and embrace their true potential.

If you've ever felt oppressed, angry at the patriarchy, been ghosted or experienced a bad case of imposter syndrome, this book is just the magical elixir you've been waiting for.

Join expert witch Semra Haksever as she invites you to summon your BIG WITCH ENERGY and awaken the abundance of power within.

Filled with spells and rituals that are perfect for novice witches and seasoned spellcasters alike, Semra encourages you to practise radical self-acceptance, be comfortable and confident in your skin and to question society's expectations. There's a spell to help stop people-pleasing, a 'protective shield' body lotion and a foot scrub that will encourage you to walk your own path. As well as this, there are practical spells to call in money and good luck, banish negativity and much more.

This collection of spells will enable you connect with the best version of yourself and truly feel your power. So, step into the magic and embrace your BIG WITCH ENERGY.

LITTLE BOOK OF MODERN WITCHCRAFT HB

September 2023

Katalin Patnaik

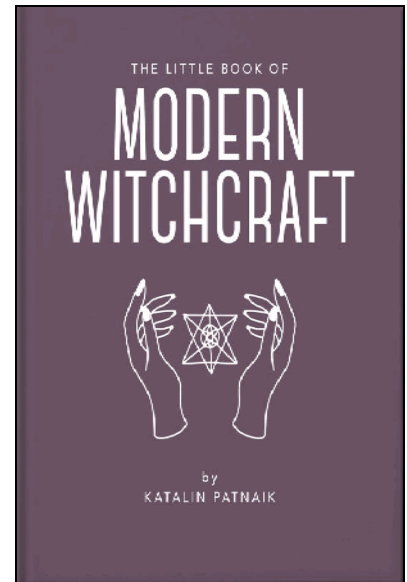

A celebration of modern witchcraft, dispelling negative myths and embracing contemporary trends, and brimming with spells, rituals and practices to attract positivity into your life.

Modern witchcraft refers to the revival and reimagining of the practice of witchcraft in contemporary times, characterized by a renewed interest in magic and a desire to reconnect with the natural world and spirituality. Encompassing a wide range of practices and beliefs, whether you're into crystals, tarot, astrology, spells, runes, mantras or candle rituals, THE LITTLE BOOK OF MODERN WITCHCRAFT is the perfect introduction for those both new to the practice and those who wish to deepen their understanding of the mystical world of magic. Encompassing everything from hoodoo, a spiritual system rooted in traditional African religions, to New Age paganism, the one thing all witches have in common is an openness to the energy of the universe – coupled with a badass, free-spirited attitude.

Whether you're an experienced Wiccan practising in a coven, or exploring your spirituality alone for the first time, this concise little book provides a comprehensive overview of modern witchcraft that will help you to focus on personal empowerment, self-discovery, and the use of magic to bring about positive change.

Embrace the power within you: connect to the natural world and follow the ancient path of magic and love.

"Whatever energy you put out into the world, positive or negative, will be returned to you threefold." – Wicca's Rule of Three

KEW - WITCH'S FOREST HB

Tress in Magic, folklore and traditional remedies

Sandra Lawrence

A beautifully illustrated, captivating journey through the magical woodland and its stories, from birch broomsticks and the sacred olive, to alder doorways and the Tree of Life.

There is more folklore, mythology and magic associated with our trees and forests than with any other living things.

Known throughout the world as dark and wild places where witches make mischief and eerie creatures dwell, forests are also places of sanctuary for the ancient magic and the most enchanting species of trees.

KEW - WITCH'S FOREST is a beautifully illustrated, captivating journey through the magical woodland and its stories, from birch broomsticks and the sacred olive, to alder doorways and the Tree of Life.
